**EDUCATIONAL INTERIOR  
FIT-OUT SPECIALISTS**

## EDUCATIONAL FIT-OUTS

Tapper Interiors has previously completed works in many different types of educational spaces. We have experience working in primary, secondary, further education spaces as well as educational buildings including science centers and museums.

Our range of services means we are able to work on fit-outs for;

- Classrooms – in primary, secondary or further education facilities.
- Bathrooms – W.Cs entire interior fit-outs.
- Student communal areas – including study areas, common rooms and meeting areas.
- Educational buildings – science centers and the like.

Popular services and selections for the educational sector include;

- MF ceilings with acoustic baffles.
- Partitions with various fire ratings and acoustics.
- Fire rated door sets.

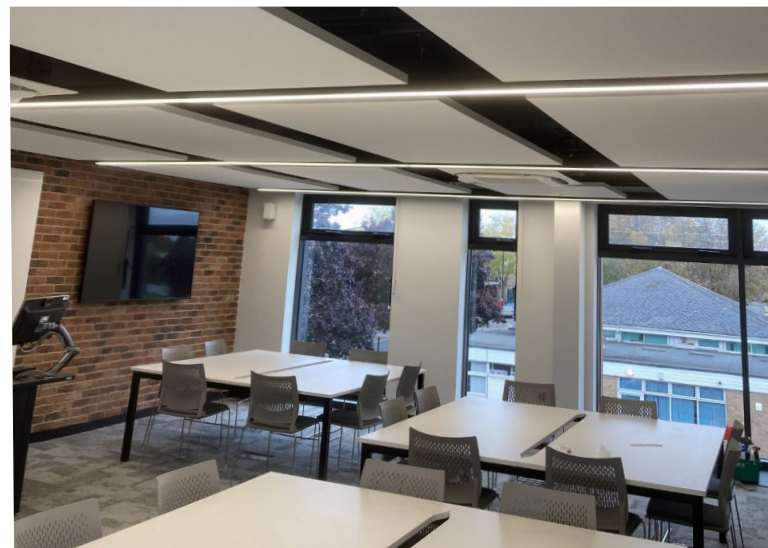

We have a team of experienced employees, all of whom undertake regular training and development programmes. This means, as a whole, we offer expertise on all services areas when it comes to interior fit-outs.

Our complete service offering includes;

- Suspended ceilings
- Partitions
- Dry wall lining
- Mezzanine floors
- Carpentry and joinery
- Electrical and plumbing services
- Ceramic wall and floor tiling
- Floor coverings
- Whiterock Cladding Systems
- Steel Framing System (SFS)

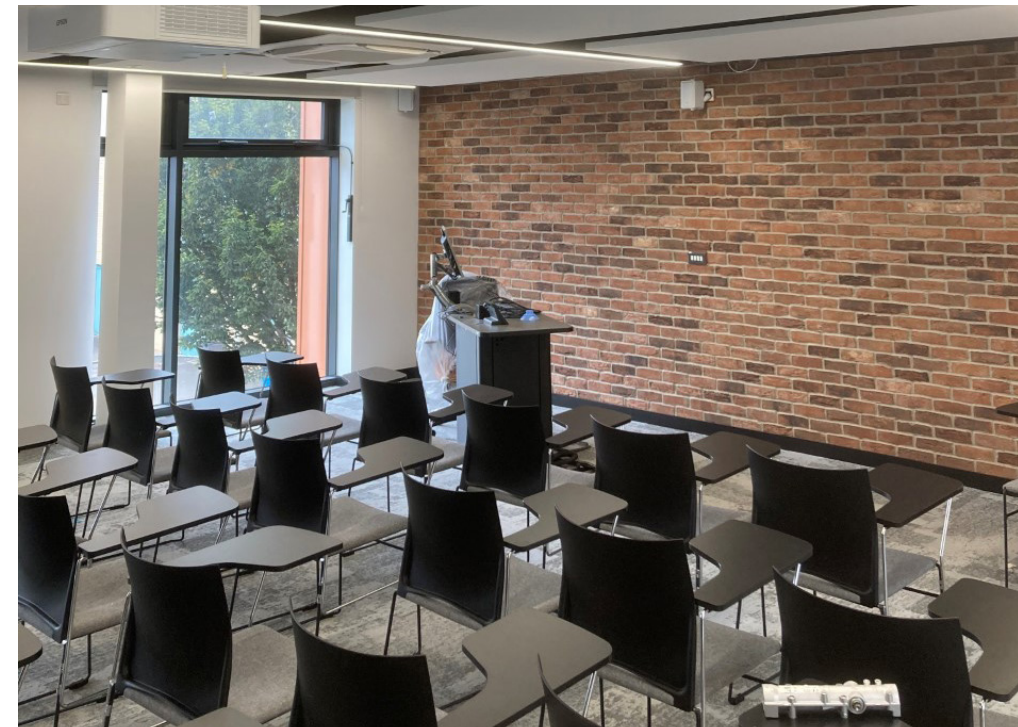

We are members of the FIS (Finishes and Interiors Sector) and we are registered Zentia Specialist Ceiling contractors. Our work reflects the high standards set by these organisations.

**Contact us to discuss your fit-out or refurbishment requirements for your educational space.**

“I would like to thank all the guys on the project for all the effort and hard work that has been put into completing the works.”

**Mike Hogg,**  
Bloxham School

“I did not meet your staff as they worked overnight, but the next day all work was complete and the site was clean. Good job, well done.”

**Jon Down,** Christ Church College

“We have used you before, once again very good service.”

**Lynsey Dear,** Orchard Fields School

“A very smooth service without any problems.”

**Kathy Hale,**  
Middleton Cheney Primary School

**Tapper Interiors is a family-owned business based in Banbury which was set up in 1984, specialising in interior systems.**

Since then the company has expanded its range of services, but it's still a family business with a great reputation for high quality work.

We've grown into an award-winning one-stop shop for interiors projects. As well as ceilings and partitions, our highly trained teams offer a full range of services from joinery to complete fit-out, encompassing flooring, plumbing, electrics, M & E decoration & mezzanine/access floors. We also undertake SFS and clean-room works.

Our customers range from small local businesses to major construction companies who have worked with us for 30 years. We have refurbished and fitted out new factories, warehouses and offices throughout the UK.

Visit us at our showroom in Banbury to talk to our team and see our high standards of workmanship.
